

BOXER

BIG POWER IN ALL PLACES

WIDE RANGE of APPLICATIONS • BOTTOM LINE PRODUCTIVITY

Reduce hand labour and increase job site productivity with Boxer mini skid steers.

The Boxer 300, 400 and 500 Series are the latest in a line of innovative mini-skid steers that have once again raised the bar in the compact utility loader industry. All are tracked machines as standard, with the 400 Series also available in a wheeled version.

Their rugged power, smooth controls, and agile manoeuvrability open the way for an expanded array of attachments for a variety of industries and applications such as:

Landscaping, Rental, Construction, Concrete Work, Irrigation, Fencing, Demolition, Golf Course Maintenance and Construction, Utility Work and Municipalities to name a few.

These machines provide the strength and performance to handle a huge variety of tasks and the versatility to get into tight areas.

SA Tractors are the authorised distributors for Boxer products throughout South Australia and Northern Territory.
